

## **Desmond Kerrigan (7/7/23)**

I ran the COMSAT golf league at Laytonsville Golf Club for a number of years. Those Thursday nights from the beginning of daylight savings time to Labor Day weekend are some of the best memories. Rich Lindstrom, Tim Salerno, Jim Thomas and Richard Allnut were all on my team. I think everyone who participated had fun as we always had full attendance. The league made for a lot of good banter at Betty's Coffee Shop before and after matches. I miss that atmosphere.

Timeframe was approximately 1995 or 1996 through 2001. We had teams based in Bethesda and the Labs and a few former employees at the time who continued to play after they left or retired. Fun times!
